WITCHES' BREW

Halloween Punch

A spooky, sparkling batch cocktail that's equal parts witchy and delicious.

INGREDIENTS

1 (750 ml) bottle prosecco or sparkling wine
2 cups spiced apple cider
1 cup vodka (or spiced rum for a richer flavor)
½ cup elderflower liqueur (St-Germain)
½ cup orange liqueur (such as Cointreau)
¼ cup fresh lime juice
¼ cup maple syrup or simple syrup (adjust to taste)
2–3 cups club soda or sparkling water (add just before serving)
Apples, oranges, and blackberries for garnish
Optional: dry ice for a spooky effect (use food-safe dry ice and handle carefully)

INSTRUCTIONS

1. In a large punch bowl, combine the prosecco, apple cider, vodka, elderflower liqueur, orange liqueur, lime juice, and maple syrup. Stir well.
2. Just before serving, add the club soda for a little extra sparkle.
3. Float sliced apples, oranges, and blackberries on top.
4. For a spooky touch, add a small piece of food-safe dry ice (optional) and watch the witches' brew bubble and smoke!
