Floral Pumpkin Stencil

Three blooms, delicate leaves and softly glowing stems

SOLID: cut out

DASHED: scrape skin only

PRINT & TRANSFER

Print on US Letter at 100% / Actual Size. Scale down for a smaller pumpkin.
Trim the paper, tape it to the hollow pumpkin and transfer lines with a pin or marker.
Cut solid shapes with a pumpkin saw. Scrape dashed stems; leave the flesh intact.
Keep rind bridges between openings. Light the finished design with a battery tea light.

Scale check: this box is 1 inch wide when printed at 100%.
